

Example 2: Jo

Jo has a mix of love, family, career and travel goals.

You can create a vision board **HOWEVER YOU WANT IT.**

For me, I tend to put the most important goals in the Centre.

I also use a:

- MIX OF WORDS
- MAGAZINE/INTERNET PICTURES
- PICTURES OF MYSELF SUPERIMPOSED OR CUT ONTO SPECIFIC SITUATIONS – IE WITH OPRAH, YOU AND A BABY, AT YOUR WEDDING AND SO FORTH!
